Oregon Preservation Contractor Directory

Page 11

(updated 12/10/2004)

The following companies/individuals have experience working with historic buildings and have asked to be placed on this list. There are likely a number of others in the state who could also be on the list; they can be added at their request. In providing this list, the Oregon State Historic Preservation Office is in no way endorsing any of these consultants. We strongly recommend that you ask for and check references.
